### PROFILE

I love programming.

Hard-working, creative and rigorous, my specialties include a capacity to adapt quickly to a new environment, learning new skills & programming languages, responsive design and troubleshooting. Currently working as a software developer, I thrive in building user friendly and elegant UI / UX.

### WORK EXPERIENCE

#### SOFTWARE DEVELOPER | 04/2019 - present

@Praktika – Dental Software Company, Melbourne, Australia

- Worked as a productive team member: design, code, test, report and track bugs.
- Customised patient forms layout & data according to client requirements.

Leveraged knowledge: HTML, CSS, JavaScript, SQL, PHP, SVN.

#### PROJECT LEADER | 07/2015 - 01/2017

@Servier – Pharmaceutical Company, HCMC, Vietnam

- Marketed 7 drugs in the field of diabetes, hypertension & mental health - turnover growth: +22% volume in 2016.
- Led & coordinated marketing activities related to [ngaydautien.vn](http://ngaydautien.vn): +65,000 visits in August 2016 (still live).

#### PRODUCT MANAGER | 04/2014 - 10/2014

@Pierre Fabre – Pharmaceutical Company, Castres, France

- Led the creation and operational launch of the marketing tools for 2 drugs in more than 1,200 targeted drugstores.
- Extracted / analysed relevant market data & shared the results to the marketing team on a weekly basis.

#### CLINICAL TRIAL COORDINATOR | 04/2012 - 09/2012

@CDL Pharma – CRO, Marseille, France

- Monitored & coordinated national & international projects.
- Wrote and won business proposals & requests for tenders.

#### CLINICAL TRIAL ASSOCIATE | 10/2011 - 03/2012

@CHU Montpellier – Hospital, Montpellier, France

- Created a friendly interface to reference patients using ACCESS software from the ground up (still live).
- Monitored ongoing clinical trials.

### EDUCATION

#### Certificate Computer Science | 2019

@Harvard University

Score: 92%

#### MBA Marketing | 2014

@Institute of Business

Administration

Montpellier, France

#### Master's degree Clinical Trials | 2012

@Faculty of Medicine

Montpellier, France

### SKILLS
